Maestro David Michael Wolff, regular guest artist at Carnegie Hall and other major venues throughout the world, recently launched the *Carolina Philharmonic*, serving Fayetteville, Southern Pines, Greenville and Raleigh. Our whirlwind first season (as *West Side Chamber Orchestra*) brought us from Fayetteville, Southern Pines and Greenville to Carnegie Hall, where a large audience brought repeatedly to its feet convinced the Presenters to invite the Orchestra back to Carnegie in Spring 2010. Indeed, everywhere the orchestra has performed has earned its musicians standing ovations and ecstatic accolades. Come and experience the joy and the virtuosity of the *Carolina Phil*.
